Who are we?

We are an **Alabama Coordinated Health Network**, providing care coordination services to Eligible Medicaid recipients.

General Care Coordination

Help with Primary Care Physicians and Specialists as they help you make the best choices for your health.

Maternity Care Coordination

Special Care for your pregnancy as well as care up to 60 days after pregnancy.

Family Planning Care Coordination

Help for eligible men (21+) and women (8-55) to prevent or delay pregnancy.

What do we do?

A Care Coordinator helps you to:

- Find a doctor
- Schedule and attend doctor appointments
- Understand what to do if you have a disease
- Help with your care while in and after leaving the hospital
- Manage medications
- Use Non-Emergency Transportation (NET) services
- Find community resources
- Locate specialty care, including mental health and substance use services

NACC services are not limited to this listing.
