Support Coordinator Katelyn Mason interviewed Special Olympics Silver Medalist in Ice Skating, Beth Allen, about her experience at the 2025 Olympics in Turin, Italy. Beth discussed meeting Ice Skaters from other countries, the experience of eating Italian Food, and what it was like traveling to Italy. Beth indicated that her favorite thing about Italy was the different kinds of pizza she got to try. She further expressed surprise that sparkling water is the default serving of water in Italy, noting that it is important to remember to specifically ask for regular water. Beth shared that the plane ride to Italy was "really long." Due to the length of the flight, Beth had a stopover for 2 days in New York. Beth noted that New York was "interesting, and cold." Beth explained that she slept a lot when she got back, but she was proud of herself for what she accomplished.

We are SO PROUD of you Beth!
Thank you for taking us on this journey with you!
